

Bioventus Appoints Mark Singleton as Chief Financial Officer

February 28, 2022

DURHAM, N.C., Feb. 28, 2022 (GLOBE NEWSWIRE) -- [Bioventus Inc.](#) (Nasdaq: BVS) ("Bioventus" or the "Company"), a global leader in innovations for active healing, today announced that it has appointed Mark Singleton as the Company's Senior Vice President, Chief Financial Officer and Principal Accounting Officer, effective March 21, 2022.

Mr. Singleton brings to Bioventus more than two decades of experience in operational finance and mergers & acquisitions at large and multi-national organizations. Most recently, he served as Vice President of Finance, Americas for Teleflex Incorporated, where he had financial responsibility for the \$1.7 billion Americas business. Previous to this role, Mr. Singleton served as Vice President of Finance of Teleflex's Vascular business, having joined the company in 2014. Mark was also involved in initiating the Vascular Solutions acquisition which became a separate business unit at Teleflex. Prior to Teleflex, he spent nearly two decades at Lenovo/IBM, where he held a number of senior leadership positions, including EMEA CFO, Western Europe CFO, North America CFO, and Think Business Group CFO.

"We are thrilled to welcome Mark to our executive team. He has demonstrated a strong track record of achievement during his time at both Teleflex and Lenovo/IBM," commented Ken Reali, Bioventus' chief executive officer. "We believe Mark's broad operational experience and his ability to drive efficiencies across multinational organizations will serve us well as we enhance our scale and extend Bioventus' leadership in the markets we serve today. Mark is also a terrific cultural fit with our high performance organization."

"I'm excited to join the Bioventus team, and I strongly believe that we can leverage the Company's unique portfolio to capitalize on the opportunities we have in front of us. I am looking forward to working closely with Ken, the board, and the rest of the executive team to continue growing the Company, enhancing operating margins, and extending its market leadership," commented Mr. Singleton.

Mr. Singleton earned his Master of Business Administration from Duke University's Fuqua School of Business and completed his Bachelor of Science in Finance from Purdue University.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements contained in this press release that do not relate to matters of historical fact should be considered forward-looking statements, including, without limitation, statements concerning Bioventus's future growth, operating margins, market leadership and strategy. In some cases, you can identify forward-looking statements by terminology such as "aim," "anticipate," "assume," "believe," "contemplate," "continue," "could," "due," "estimate," "expect," "goal," "intend," "may," "objective," "plan," "predict," "potential," "positioned," "seek," "should," "target," "will," "would" and other similar expressions that are predictions of or indicate future events and future trends, or the negative of these terms or other comparable terminology, although not all forward-looking statements contain these words. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified. Factors that could cause actual results to differ materially from those contemplated in this press release include, but are not limited to, the adverse impacts on our business as a result of the COVID-19 pandemic; our dependence on a limited number of products; our ability to develop, acquire and commercialize new products, line extensions or expanded indications; the continued and future acceptance of our existing portfolio of products and any new products, line extensions or expanded indications by physicians, patients, third-party payers and others in the medical community; our ability to differentiate the hyaluronic acid ("HA") viscosupplementation therapies we own or distribute from alternative therapies for the treatment of osteoarthritis; the proposed down-classification of non-invasive bone growth stimulators, including our Exogen system, by the U.S. Food and Drug Administration ("FDA"); our ability to achieve and maintain adequate levels of coverage and/or reimbursement for our products, the procedures using our products, or any future products we may seek to commercialize; our ability to recognize the benefits of our investments; our ability to complete acquisitions or successfully integrate new businesses, products or technologies in a cost-effective and non-disruptive manner; competition against other companies; the negative impact on our ability to market our HA products due to the reclassification of HA products from medical devices to drugs in the United States by the FDA; our ability to attract, retain and motivate our senior management and qualified personnel; our ability to continue to research, develop and manufacture our products if our facilities are damaged or become inoperable; failure to comply with the extensive government regulations related to our products and operations; enforcement actions if we engage in improper claims submission practices or in improper marketing or promotion of our products; the FDA regulatory process and our ability to obtain and maintain required regulatory clearances and approvals; failure to comply with the government regulations that apply to our human cells, tissues and cellular or tissue-based products; the clinical studies of any of our future products that do not produce results necessary to support regulatory clearance or approval in the United States or elsewhere; and the other risks identified in the Risk Factors section of the Company's public filings with the Securities and Exchange Commission ("SEC"), including Bioventus' Annual Report on Form 10-K for the period ended December 31, 2020, as updated by the Company's Quarterly Report on Form 10-Q for the quarter ended October 2, 2021, and as such factors may be further updated from time to time in Bioventus' other filings with the SEC, which are accessible on the SEC's website at www.sec.gov and the Investor Relations page of Bioventus' website at ir.bioventus.com. Except to the extent required by law, the Company undertakes no obligation to update or review any estimate, projection, or forward-looking statement. Actual results may differ from those set forth in this press release due to the risks and uncertainties inherent in the Company's business.
